2024-2025

Who We Are

Smart lighting company established in 2016 as a lighting solution provider working with the projects from the designing phase passing through the products estimation till installing it on the site .

Based in the Egyptian market specialized at energy saving field by using led lighting systems, as we have factory that making over 50% of our products in Egypt with high quality according to universality specifications.

Smart lighting company is dealing with the elite of international companies specialized at the lighting systems, like (Cree - Osram - Schwabe - Bridgelux - Phillips - Samsung) in manufacturing chips field with both type (COB - SMD) and (Phillips - Meanwell - Schwabe - Tridonic) on manufacturing drivers.

Our Vision

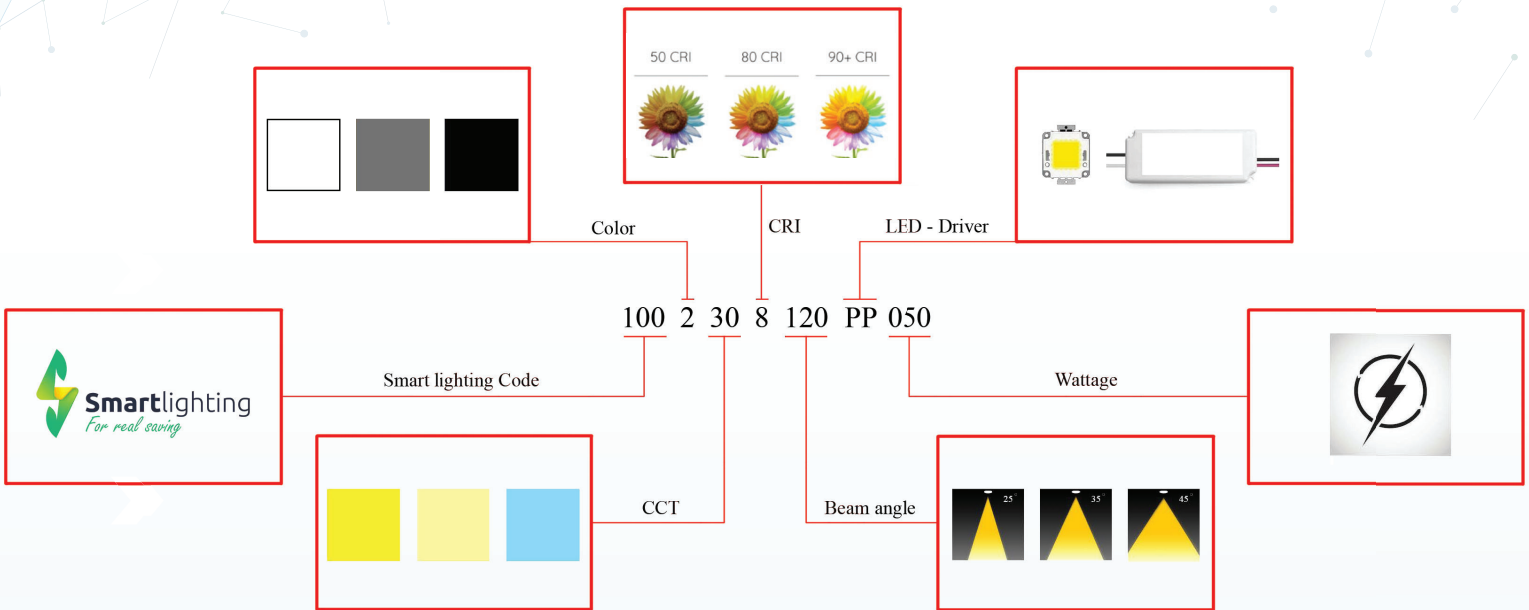

“To pioneer Egypt's LED lighting sector with cutting-edge, sustainable solutions, enriching lives and setting new benchmarks in the industry.”

Our Mission

- Our mission is to make and sell the latest version of led lighting systems , we believe that light is a part of every thing and its knowledge should be shared through our products and services .
- Highly qualified employees will bring both saving and safety to our valuable customers in the Egyptian market .
- With one of the strongest sales teams we will hit the numbers and keep our growth of profitability on the highest level.

CODING SYSTEM

UNDER WATER LIGHTING

LED **UNDER** WATER

Smart lighting

"Smart underwater lighting transforms aquatic environments with stunning illumination that combines beauty and functionality. Ideal for pools, fountains, and other water features, our advanced lighting solutions are designed to enhance the visual appeal of your aquatic spaces while ensuring durability and energy efficiency. With features tailored for submerged conditions, our lights provide vibrant colors and consistent performance, creating a captivating and serene atmosphere beneath the water. Illuminate your underwater landscapes with sophisticated lighting engineered to withstand the elements and elevate your aquatic experience."
